### TEACHERS COLLEGE 45—MAYFIELD 0

Last Friday, the 14th, the Mayfield football team met its first defeat of the season at the hands of the strong Teachers College Reserve team at Cape Girardeau. The score was 45 to 0, but the game was harder fought than the score would suggest.

Although the Reserves and the Prep school boys averaged together pretty well in weight and speed, the lads from the Normal showed the effects of long evenings of bucking Courleux's first team.

From the first toot of the whistle it was plain that the aggregation from Mayfield stood very little chance of winning and within the first five minutes a touchdown was pushed over the line by Revelle of the Normal by a series of line plunges that literally tore up the Mayfield boys' defense.

Although it was a losing game to the last whistle that ended the conflict, not a Mayfield man faltered in his duty. Every man fought and fought hard from the first toot to the last one and there was not a single man on the Reserves that did not show some effects of the game before it was ended.

It was a game lost, but a game that both teams may well be proud of.

The Twin City Light and Power company is now in operation and is furnishing light to a number of the houses in the two towns. Connections are being made and houses are being wired as fast as possible. The Twin Cities will soon be as well lighted as our sister cities, which will be a great convenience to the residents, as well as a boost to the strangers who visit the Twin Cities.

### MRS. MARTHA GRIMSLEY

Sunday morning at 1:30 o'clock Mrs. Martha Grimsley, a well known and highly respected aged lady of this county died at the home of her daughter, Mrs. A. F. Ablett, with whom she has resided for a long time past, not east of the city about two miles, at Belgrade.

Mrs. Grimsley was born in Tennessee. She has resided in Missouri county for years past and was known to all as a good, kind hearted Christian lady, who after a long and useful life has laid down at last to rest from her labors, leaving behind her only pleasant memories of a life well spent in contributing her part to make others happy. She was a member of the Baptist church with a membership of several years standing in the Baptist church at Seven Mile. She passed away at the time honored age of 83 years, 3 months and 3 days. Four children are left to mourn her death: Mrs. Florence Ablett, wife of A. F. Ablett of this county, L. G. Grimsley of Marble Hill, Mo., who was here to attend the funeral held Monday afternoon, Fred Grimsley, of Shrum, Mo., and Lettie Troutman, who at last reports was living at Paducah, Ky. Funeral services were held Monday afternoon at the Seven Mile church by Rev. James Baker and interment was made at the church cemetery.—Metropolis, Ill. Republican Herald.

Buell Parks and Miss Erna Cates, both of Hornersville, were married at Kennett last Saturday. Mrs. Parks formerly resided here and graduated from the College and has many friends in the Twin Cities who wish her a long life of happiness. She is a daughter of Mrs. India Cates and a sister of Mrs. M. C. Sander.

### MAYFIELD DEFEATS CHAFFEE 34 to 7

Last Saturday the Mayfield lads journey southward to Chaffee with a firm resolve to remove the thorn of the Cape defeat from their sides. Although Chaffee was not reputed as a very strong aggregation, the Mayfield lads looked for a battle royal, as they were forced to leave four of their first string men at home. Kinder was put out of the running in the Cape game, McElmurry and Wigger were forced to miss in order to fill their appointments at their churches and the services of Pierce, a strong guard, were lost.

However, it was seen from the first blast of the referee's whistle that these men were not needed. Our boys went right down the field for a touchdown from the start without losing the ball once the first touchdown being made within the first three minutes of play. Linder carried the ball over on an end run from the 20-yard line. The second Mayfield touchdown was made in the first part of the second quarter by Center, who received a 20-yard pass from Hart and ran 20 yards for a touchdown. Linder kicked goal.

Chaffee made their only touchdown in the last of the second quarter when they punted, the ball being touched by a Mayfield man who attempted to block the kick. The ball was caught behind Mayfield's line by a Chaffee man who ran for a touchdown.

At the end of the first half the score was 13 to 7. In the third quarter Mayfield made two more touchdowns without much trouble Hart carrying the ball over both times Linder kicking goal. Our boys made the fifth and last touchdown in the fourth quarter. Hart making an end run.

Both teams showed lack of training in running interference, blocking and tackling and the home boys will do well to practice long and ardently on these difficult tasks.

### Lutesville News

Born—To Mr. and Mrs. John Bollinger October 17, a son.

Buster Choat is visiting his parents, Mr. and Mrs. John Nannery, this week.

Mrs. V. C. Myers and children of Charleston are visiting relatives in Lutesville this week.
